Cost & Price Details:

What is your hourly rate?

Clutterless Home Solutions does not quote by an hourly rate! We will assess your project & photos and then give you a custom quote to provide you the most value! Check out all of the amazing services we include in your project below.

Are supplies included in the estimate?

Supplies are not included in the estimate, but we will always try and use things you already have around the house if you would like. We also give you discounts to places like The Container Store and Target to help save you more money!

Should I buy items in preparation for my project?

You don't need to buy items in preparation for your project! We will assess your situation on project day, and then do all of the expert shopping for you. (You'll get discounts too!)

What is Professional Organizing & What is a Full-Service Organizer?

NY Times defines it as "A professional organizer is a person who can help you organize any of the physical and digital spaces in your life — a closet, a kitchen or the aforementioned home office."

Clutterless Home Solutions defines organizing as helping people making their lives easier, more efficient, and less stressful all while making your home look amazing!

Full-service means that we do everything for you. The only thing we need you there for is to make decisions between keep, trash, or donate. Everything else is done. Put your feet up - it's time to relax. (Check out all that is included in your organizing package below.)

How it Works:

1. Text us your name & project photos to 720-770-2646 & get a quote!
2. Book a day(s)
3. It's Project Day! Time to relax & put your feet up. We do all the shopping, donation, consignment, and hard work for you!

What kind of projects do you help with?

We offer help with creating efficient organizing systems for kitchens, closets, pantries, garages, basements and anywhere else you can think of. Check out our completed projects here! <https://www.clutterlesshomesolutions.com/before-after>

We help our clients get organized, create efficiency and overall make their home feel more like a sanctuary and less like a storage unit!!

What time do you start on-site & how long do you stay?

Our standard start time is 9 AM! (Reach out to us in advance for start time adjustments.)

We generally have projects that last from around 9 AM to 7 PM but it can vary by project. We like to stay on site until the project is finished if time permits! If we don't complete the project we will schedule it for another day.

Do I need to be at my house the entire time your team is organizing?

No! The only thing we need you for is the decision making part of organizing. For example, what you want to keep, donate, throw away, & sell.

How far is your schedule booked out?

During non-peak season (November-March) - Approximately 2-4 weeks

During peak season (April-October) - Approximately 4-8 weeks
